Kingdom Apostolic Network (KAN)

Is a network of apostolic-prophetic, ministries who are bonded together by a common heart and vision to bring the full restoration of the corporate church.

The purpose of this network is to bring together apostolic leaders that are willing to engage and intercede in their community by tearing down and rooting out spiritual strongholds in order to demonstrate God's Kingdom in the earth. This network will provide a covering for accountability, fellowship, and resources for five-fold ministers.

"Again, the Kingdom of heaven is like unto a net, that was cast into the sea, and gathered of every kind:" Which, when it was full, they drew to shore, and sat down, and gathered the good into vessels, but cast the bad away."

Matthew 13:47-48
