Our Vision

Our vision is to help those called to prepare for their commission as Elders in the body of Christ, to be raised up as mature prophetic ministers for their local churches. Who should participate? Those who are called as leaders and equippers in the body of Christ whose desire is to be trained and refined under our ministry and those who desire an on going relationship. The reason we require the pastor’s approval to participate is that we believe in strengthening the local church.

We begin at a training level where we expect each person to have already taken “Ministering Spiritual Gifts” (MSG). ***A 500 word essay, explaining “Why you feel called to the office of an Elder” and “What area of the Five-Fold ministry you are called to”.**

Our Strategy

On the second weekend of the month we meet for orientation training This includes several opportunities to observe the direction of leadership and to see prophecy in action. More things are caught than taught. During the following months each student has academic studies to complete. This is a part of the eldership mentoring process. Some students will take this training more than once in order to grow in God.
